

## 2023 SIEMEN SCHOLARSHIP AWARD

CONGRATULATIONS: MADISON VLCEJ OF YARMOUTH PORT

The South Yarmouth Library Association is pleased to announce that Madison Vlcej of Yarmouth Port, a graduate of the Wentworth Institute of Technology, has been awarded the Cecelia Siemen Scholarship in the Visual Arts. This award was created by the late Sven Siemen in memory of Cecelia, to support serious students who show originality, creativity, the promise of development and evidence of the skills and resources needed to make a future contribution in the field of visual arts.

Madison has recently graduated with a Master's Degree in Architecture. During her most recent year of study at Wentworth, Madison developed her Thesis around concepts that unify the disciplines of art and architecture by creating and then analyzing abstract artwork as inspiration for architectural design.

Madison's work varies in style and medium, as she enjoys creating realistic pen and ink drawings as well as paintings - either abstract or realistic - in oil and acrylic. Her upcoming show, "Beyond Blueprints: Architecture as Art", showcases her love for traveling through architectural sketches. In the future, she hopes to travel across the world to study and sketch the built environment.

Her upcoming art show, "Beyond Blueprints: Architecture as Art", invites you to immerse yourself in design and creativity, showcasing breathtaking architectural drawings that capture the essence of both modern marvels and timeless classics. From the intricate details of historical landmarks to classic Cape designs, each piece tells a story of innovation, inspiration, and the boundless imagination of the human spirit.

Whether you're an aficionado of fine art or simply appreciate the beauty of architectural wonders, this exhibition promises to enchant and inspire all who behold it. Join us as we celebrate the intersection of art and architecture, where every piece is a testament to the enduring power of human ingenuity and the beauty of creativity.

“Beyond Blueprints: Architecture as Art” Cultural Center of Cape Cod June 4 – 29, 2024
